

## **Mission Statement**

### **Our Mission**

To enhance the functional communication skills of children in their everyday environments, empowering them to achieve their full potential.

### **Our Values**

#### **Professionalism**

- We act with integrity and professionalism to support individuals, groups, and communities.

#### **Communication**

- We ensure open and transparent communication between the therapist and the family to maintain client-centred practice.

#### **Quality Standards and Continuing Competence**

- We value knowledge sharing and the contributions of others to our work and profession.

- We maintain up-to-date professional knowledge and practice, acknowledging the limits of our expertise.

- We prioritise clear and timely communication with our clients, the community, and all with whom we interact.

#### **Respect and Care**

- We respect the rights, privacy, and dignity of our clients and the context in which they live.

- We maintain our personal health and wellbeing to effectively fulfil our professional responsibilities.

#### **Fun**

- We ensure that therapy is engaging and motivating for each individual student. 😊
